- I am a California licensed contractor, or
- I am the property owner, or
- I am authorized to act on behalf of the property owner\*

I have read this construction permit application and the information I have provided is correct. I agree to comply with all applicable city and county ordinances and state laws relating to building construction and by my signature below further indicate that I understand said code requirements for the work to be performed. I authorize representatives of the City of Montebello to enter the property subject to this permit for inspection purposes. I understand that application to the Building Official for a permit is subject to the conditions and restriction hereon and including:

1. Each person upon whose behalf this application is made and each person at whose request for whose benefit work is performed under or pursuant to any permit issued as a result of this application agrees to and shall, indemnify and hold harmless the City of Montebello, its officers, agents and employees.
2. Any permit issued as a result of this application becomes null and void if work is not commenced within 12 months after its issuance, or has become inactive for a period of, ONE HUNDRED EIGHTY (180) DAYS. An extension may be requested in writing, demonstrating justifiable cause for the extension. The building official may grant, in writing, one or more extensions of time for periods of not more than 180 days per extension.
3. The City's approved plans and permit inspection card must remain on the job site for use by City inspection personnel.
4. Final inspection of the work authorized by this permit is required. A Certificate of Occupancy must be obtained prior to use and occupancy of new buildings, structures and remodeling work.

5. Construction activity is allowed only between 7:00 a.m. to 8 p.m. on weekdays and between 9:00 a.m. to 6:00 p.m. on Saturday and Sunday and holidays.

6. The issuance or granting of a permit or approval as a result of inspection shall not be construed to be an approval or a violation of the provisions of any state or local codes or ordinances. Plan review or inspection approvals presuming to give authority to violate or cancel the provisions of any state or local codes or ordinances shall not be valid. It shall be the duty of the permit applicant to cause the work to remain accessible and exposed for inspection purposes. Neither the Building Official nor the jurisdiction shall be liable for expense entailed in the removal or replacement of any material required to allow inspection.

7. The building official is authorized to suspend or revoke a permit issued under the provisions of this code wherever the permit is issued in error or on the basis of incorrect, inaccurate or incomplete information, or in violation of any ordinance or regulation or any of the provisions of this code.
